

Ecoline delivers unique environmentally safe maintenance solutions with people's well-being in mind that can provide unmatched results and ultimate satisfaction for their users.

Over the last two decades, Ecoline Industrial Supply, Inc. has gained a notable, nationwide presence in industrial and institutional markets; and in that time we have come to understand that it is not just our great quality products, but our unsurpassed knowledge of how they are made, and how they are used, that creates the powerful value system we are delighted to offer to our customers.

Headquartered in California, Ecoline Industrial Supply, Inc. is a small business – 100% woman-owned and operated. We offer a full line of environmentally safe maintenance chemicals for industrial and commercial facilities, all made from the highest quality ingredients right here in the U.S.A .

We pride ourselves in providing unrivaled value and outstanding results. Within our range of innovative products, you will find non-fuming drain cleaners, non-chlorinated solvents, safe acid replacements, eco-friendly graffiti removers, enzymatic coil cleaners, bacterial digestants, instant odor neutralizers, and many other specialty items.

DELIVER PROMISE • DELIVER RESULTS • DELIVER VALUE

ECO-FRIENDLY PRODUCTS

- Cleaners, Degreasers & Solvents
- Lubricants, Greases & Oils
- Adhesives, Epoxies & Sealants
- Electronic Maintenance
- Corrosion Control & Protection
- Paints, Coatings & Strippers
- Graffiti Control
- Asphalt & Concrete Products
- Auto Detailing Products
- HVAC Products
- Pipe Repair Kits
- Firestops
- Drain Openers
- Grease Trap Maintainers
- Sewer Treatment Chemicals
- Odor Control
- Metal Cleaners & Polishes
- Carpet Care
- Floor Cleaners
- Bathroom Maintenance
- Disinfectant & Sanitizers
- Insecticides & Herbicides
- Ice Melters
- Wipes
- Skin Care
- Safety Items
- Spill Containment

WOMAN-OWNED SMALL BUSINESS ENTERPRISE

Facility Maintenance

 Pure Earth Line™
Products

 New Products

ENVIRO KLEEN

Concentrated multifunctional acid-replacement cleaner

- Generates heavy duty cleaning power of an acid, yet it is mild like liquid dish soap
- Removes scale, rust, mildew, grease from stainless steel, grout, concrete, ceramic and more
- Eco-friendly, non-fuming, non-caustic and biodegradable

DRAIN MAGIC

Non-acid drain opener and maintainer

- Dissolves fats, oils, sludge, hair, soap scum, lint and paper
- Odorless, non-fuming, safe for pipes and porcelain
- Heavier than water, sinks quickly to the point of obstruction

RTV SILICONE

Industrial sealant, adhesive and gasket maker

(Clear, White, Red, Blue, Black)

- 100% low volatile R.T.V. silicone in a pressurized can
- High chemical resistance, waterproof and weatherproof
- Temperature range -60°F to +650°F and 330 PSI

CIK

Crawling insect killer

- Fast acting and long lasting 3-month residual action
- Effective against roaches, silverfish, spiders, ticks, stink bugs, fleas, ants, crickets
- Pleasant vanilla scent

ZESTY HANDS

Double-sided heavy duty hand and surface wipes

- Fortified with high performance cleaning agents and conditioners
- Remove paint, grease, oil, tar, anti-seize, adhesive, ink
- Non-drying cherry scented formula

INSTA-BAC

Ultimate organic waste digester and instant odor neutralizer in one

- Highly concentrated - 2.5 gallons make a 55-gallon drum
- Dual odor counteracting technology instantly eliminates malodors
- Billions of enzyme producing bacteria rapidly digest waste in drains, urinals, grease traps, sewers, septic tanks, trash cans, carpets, and floors

AQUA PATCH

Durable epoxy patch for sealing holes in condensate pans

- Pours through standing water to create a permanent bond
- Self-leveling formula provides a smooth even coating
- Formulated with antimicrobial agent to prevent algae and mold growth

DURA STEEL

Long lasting protective coating

- Contains 316L flecks of stainless steel in an ultra-durable epoxy resin system
- Protects from rust and corrosion
- Resists alkalis, acids and other harsh chemicals, as well as severe temperature conditions

TIDY BLISS

Concentrated cleaner and odor counteractant in one

- Non-toxic and non-staining formula
- Spray directly on the surface to be cleaned or in the air to neutralize malodors
- Unique long lasting fragrance

X-TREME WRAP

Military grade self-fusing repair wrap

- High quality silicone-rubber compound designed to form a permanent air and water tight seal on pipes, hoses, air ducts joints, and electrical wires
- Remains flexible down to -60°F and won't melt up to 500°F
- Has a tensile strength of 600 psi and insulates up to 400 volts/mil

URATIC SALT REMOVER

Fast-acting mineral deposit cleaner

- Removes uric salts, yellow rings, and rust stains from urinals, toilet bowls, grout and tiles
- Odorless and safe on plumbing
- Controls odors caused by uric salts

ENVIRO SHINE

High performance eco-friendly stainless steel cleaner

- Food grade based formula
- Cleans, shines and protects
- Prevents fingerprints, smudges, rust and water spots

BIO-ENZYMATIC COIL CLEANER

Self-rinsing foaming coil cleaner

- Non-acid, non-fuming and virtually odorless
- Fortified with enzymes for continuous cleaning and breakdown of fungus, mold, grease and grime
- Delivers clean coils, drip pans and free-flowing drain lines, thus improving system efficiency

NO SLIME STRIPS

Non-corrosive algaecides for condensate pans

- Control algae, fungus, and slime growth up to 1 year
- Aid in prevention of Legionnaires disease
- Mesh encasement keeps solids from breaking and clogging up the line

GRAFFITI WIPES

Powerful low-odor graffiti removing wipes

- Double-sided towels absorb residue without re-depositing
- Remove paint, ink, tar, scuff marks, graffiti from wood, steel, plastic and painted surfaces
- Will not harm most background paint, dull surface, or leave haze

ORANGE GLOVES IN-A-BUCKET

Highly resilient safety gloves

- Nitrile and powder-free
- 10-mil thick and chemical resistant
- Raised diamond texture for superior grip

AQUA EPOXY

Two part epoxy putty stick

(Also available in Steel, Copper, Wood, Titanium, Concrete, Plastic)

- Can be used under water and on wet surfaces to fill holes, cracks, leaks up to 8,000 PSI and 250°F
- Resistant to hydrocarbons, ketones, esters, alcohols, acids and bases
- Can be tapped and drilled, sanded and painted only 1 hour after application

PIPE MEGA WRAP

Complete permanent pipe repair kit

- Works on wet and dry surfaces and can be used on any pipes, including potable water
- Suitable for standard water line pressure and -60°F to 425°F temperature rating
- Sets like steel in only 30-90 minutes and is impervious to water, oils, chemicals, solvents and acids

HEAT BLOCK

Reusable heat blocking putty

- Designed to keep piping and sensitive components cool during welding, soldering, and brazing up to 2000°F
- Made from the same material found in heat shield of space shuttle
- Can be re-used up to 40 times

NO MESS ANTI-SEIZE

High temperature chemical resistant anti-seize

- Innovative design in a pressurized can with shoe polish applicator
- Water resistant and extreme weather condition formula
- Protects against rust and corrosion, prevents seizing and galling

ABSORBEX

Biodegradable liquid stain absorbent

- Highly effective against hydrocarbon-based oils, greases, BBQ grill stains, silicone oils from tire dressings
- Ideal for use on asphalt, concrete, paving stones, pressure treated wood, composite decking
- Thick formula dries quickly for easy clean-up

PEN LUBE

High performance lubricant and penetrant with a broad temperature and pressure range

- Penetrates through rust and corrosion to loosen frozen nuts and bolts
- Fortified with Molybdenum Disulfide and PTFE to reduce wear and friction and ensure longer lasting lubricity
- Safe on plastic, rubber and painted surfaces and can be sprayed upside down

PHENO D

Total release fogger

- Hospital grade disinfectant, sanitizer and deodorant in one
- Effective against HIV, E. coli, Salmonella, MRSA, Herpes, Influenza, mold, fungus and Tuberculosis
- Kills viruses and bacteria both in the air and on surfaces

RUBBERIZED COATING

Flexible and water-tight film

- Asphalt and rubber based formula seals minor cracks and voids on roofs, gutters, and condensate pans
- Protects from harmful effects of water, salt, sand, and chemicals, reduces chances of corrosion and minimizes unwanted sound and vibration
- Will not crack, peel or melt

GLEAM-GEL

Glass cleaner with odor neutralizer

- Streak-free formula
- Cleans and prevents fingerprints
- Eliminates malodors

SAFETY SOLVENT

Non-chlorinated solvent-based cleaner and degreaser

- Safely dissolves grease, oil, tar, adhesives, and ink on electrical equipment while in operation
- Fast drying and residue-free; no rinse necessary
- Non-flammable and non-CFC with a dielectric strength of 26,000 volts

RUST EXTERMINATOR

Non-chlorinated rust eliminator

- Chemically neutralizes rust and stops corrosion
- Seals ferrous metals and protects from future deterioration
- Paintable after curing

T.R.A.

Unique solution for damaged threads

- 3 in 1 formula - thread repair agent, lubricant and penetrant
- Uses nano technology to penetrate deeply into damaged threads and repair them on a molecular level
- Earth friendly, odorless and clear

DRY SILICONE

General purpose silicone lubricant and release agent

- Eliminates friction and retards corrosion, prevents gummying and seals out moisture
- Heat stable, will not freeze or melt (-40°F to +285°F)
- Fast drying, clear and odorless

NUTTY HANDS

New generation industrial hand cleaner and moisturizer in one

- Solvent-free and bead-free formula
- Quickly and effectively removes grease, paint, adhesive, tar and ink
- Formulated with walnut shells and conditioners to exfoliate and restore moisture to damaged hands

BUST'N RUST

Biodegradable bath-soak rust remover

- Inhibits flash rusting for weeks
- Neutral pH formula will not harm surfaces including rubber, plastic, vinyl, PVC, aluminum, copper, and brass
- Non-toxic, non-flammable and non-corrosive

TRU-AIR BAG

Fragrance and chemical free ultimate odor solution

- Eliminates odors using natural minerals, does not mask them
- Effective against organic odors, smoke, fumes, chemicals, paint, dead animal odors
- Absorbs odors like a magnet and neutralizes them within 24 hours

CITRA GEL

Citrus based heavy duty degreaser and adhesive remover

- Made with all natural power of 70% d'limonene
- Removes grease, asphalt, adhesives, chewing gum, stickers off of glass, metal, wood cement, paint
- Clings to vertical surfaces for longer contact time without run off
