

TECHNICAL DATA SHEET

ABSORBEX™

LIQUID STAIN ABSORBENT

PART NUMBER(S):

EQ2590

32 FL OZ (0.946 L)

Absorbex™ is a unique liquid stain absorbent and remover. It is highly effective against hydrocarbon-based oils, greases, BBQ grill stains, silicone oils from tire dressings, and other stains. Absorbex™ is ideal for use on asphalt, concrete, paving stones, pressure treated wood, composite decking, and other surfaces. Designed to reach into the pores of porous and untreated surfaces for deep stain removal, it will also remove stains from treated and sealed surfaces. Easy to apply by pouring, brushing, or rolling onto stained surfaces. Thickened liquid applies to vertical services. Dries to a powder within hours for easy removal by brushing, sweeping, blowing or rinsing. No scrubbing or rinsing necessary. Biodegradable formula.

WHO: Parking attendants, automotive facilities, transportation departments, oil and gas companies, power plants, municipalities, facility maintenance personnel, public works, manufacturing plants, hospitality, apartment buildings

WHERE: Concrete, asphalt, paving stones, pressure treated wood, composite decking

WHAT: Oil, BBQ grill stains, greases, silicone oils from tire dressings

FEATURES AND BENEFITS:

- Thick biodegradable formula
- Dries quickly for easy clean-up
- Eliminates grease and oil

DIRECTIONS: Pour, spray, or brush onto stain, covering it completely. Deeper stains may require heavier application. Allow to completely dry, up to 3 hours depending on conditions. Sweep or rinse away. Covers 18 – 22 sq. ft. per gallon.

ACTIVE INGREDIENTS: Water (7732-18-5), Powdered Absorbent (Proprietary), Alcohol Ethoxylate (68991-48-0), d-Limonene (5989-27-5), Sodium Metasilicate (6834-92-0).

HMIS RATINGS: Health: 1; Flammability: 0; Reactivity: 0; Personal Protection: C
