

TECHNICAL DATA SHEET

BIO-ENZYMATIC COIL CLEANER

POWERFUL FOAMING COIL
CLEANER

PART NUMBER(S):

EA374

20-18 FL OZ (510 GRAMS)

Bio-Enzymatic Coil Cleaner is a powerful thick, clinging foam which removes dirt, lint and grease from air conditioner and heater coil fins. Convenient, portable aerosol features a strong directional spray which helps force foam into coil air spaces. No rinsing required on evaporator coils or any other surface where condensation causes a rinsing action. Water-based foam creates no harsh vapors and leaves a fresh natural scent. Bio-Enzymatic Coil cleaner increases system efficiency and reduces energy consumption. Spray in pan and drain lines to help keep them clear and destroy odors. It contains no ozone depleting chemicals.

WHO: HVAC maintenance, building engineers, hospitality, maintenance crews, automotive, public transportation, hospitals, school districts

WHERE: Air conditioners, radiators, roof heating and cooling units, wall and window units, ventilators, dryers, ice machines, refrigerators

WHAT: Dirt, grease, lint

FEATURES AND BENEFITS:

- Self-rinsing formula
- Low-odor and non-fuming
- Non-hazardous and non-acid

DIRECTIONS: SHAKE FREQUENTLY DURING USE. Before using, protect all electrical equipment and parts with plastic or aluminum wrap. Spray area thoroughly with penetrating and holding foam. Foam breakdown and dirt absorption indicates when surface may be flushed clean, if desired. For stubborn build up, a repeat application may be necessary. **Caution:** Use with adequate ventilation. Intentional misuse by concentrating or inhaling the product can be harmful or fatal.

ACTIVE INGREDIENTS: Water (7732-18-5), Butane (106-97-8) , Propane (74-98-6), Diethylene Glycol Monoethyl Ether (68515-73-1) and Sodium Nitrite (7632-00-0)

HMIS RATINGS: Health: 1; Flammability: 2; Physical Hazard: 0; Personal Protection: A
