

TECHNICAL DATA SHEET

CITRA GEL™

POWERFUL NATURAL SOLVENT

PART NUMBER(S):

EA938

AEROSOL CAN NET WT 20-14 OZ

Citra Gel™ combines the natural power of d-Limonene with the convenience of an aerosol. It sprays like a liquid, and sets up like a gel ensuring longer contact time. The clinging gel adheres to vertical and irregular surfaces without run off. Citra Gel™ removes the most stubborn deposits so they can be flushed away with water quickly and easily. Its remarkable formula is extremely effective against heavy greases, tar, asphalt, and adhesives. Citra Gel™ contains no ozone depleting chemicals.

WHO: Road maintenance crews, roofers, sign crews, building engineers, custodians, facility maintenance personnel, public transportation, school districts, hospitals, mechanics, public works, municipalities, gas and oil companies, power plants, fleet departments, manufacturing plants, construction and maintenance

WHERE: Roofing tools and forms, masonry, brick, heating pots, buckets, construction equipment, engine blocks, asphalt spread, paddles, brooms, shovels, concrete floors, trucks and busses, glass, wood, stone, road construction machines, transmissions

WHAT: Grease, tar, pitch, oil, asphalt, roofing compounds, adhesives, stickers, permanent markers, decals

FEATURES AND BENEFITS:

- Contains 70% d-Limonene
- Sprays like a liquid, sets up like a gel
- Thick formula clings to vertical surfaces

DIRECTIONS: Shake well before using. Remove cap and spray evenly over the entire surface. Allow to work for 1-2 minutes. Flush away with water. Repeat as necessary. Do NOT apply to plastic parts. **CAUTIONS:** Use with adequate ventilation. Intentional misuse by concentrating and inhaling the product can be harmful or fatal.

ACTIVE INGREDIENTS: Citrus Terpenes (94266-47-4), Mineral Spirits (64741-65-7), Propane (74-98-6), Methyl-Oxirane Polymer (9003-11-6), Butoxyethanol (111-76-2).

HMIS RATINGS: Health: 2; Flammability: 4; Physical Hazard: 0; Personal Protection: X.
