

TECHNICAL DATA SHEET

ORANGE BLAST™

HEAVY DUTY NATURAL DEGREASER

PART NUMBER(S):

EA837

AEROSOL CAN NET WT 20-15 OZ

Orange Blast™ is all natural d-limonene based degreaser. It features a powerful penetrating spray that quickly breaks down and emulsifies heavy grease, oil, tar, wax, and adhesive. Orange Blast™ will remove heavy duty buildup from a variety of surfaces. It can also be sprayed into drains to eliminate grease accumulation and odor, and used as a deodorant in trash cans and garbages. Orange Blast™ contains no ozone depleting chemicals.

WHO: Road maintenance crews, roofers, sign crews, building engineers, custodians, plumbers, facility maintenance personnel, hospitality staff, restaurant owners, department stores, public transportation, school districts, hospitals, mechanics, public works, municipalities, gas and oil companies, power plants, fleet departments, manufacturing plants, construction and maintenance

WHERE: Machinery, roofing equipment, ovens, grills, motors, tools, equipment, metal parts, drains, garbage disposals, trash cans, garbages, laundry pre-spotter

WHAT: Tar, asphalt, gum, wax, grease, grime, printing ink, decals, stickers, carbon deposits, odors

FEATURES AND BENEFITS:

- Formulated with 93% d-Limonene
- Powerful penetrating spray
- Emulsifies grease, tar and adhesive

DIRECTIONS: Remove cap and spray Orange Blast™ directly on the surface. Allow it to work for 30 seconds. Flush away loosened deposits with water. On fabrics and plastics, test in an inconspicuous area before use. For drains, spray directly into the drain. Let the product work for a few minutes, then flush with hot water. **CAUTIONS:** Use with adequate ventilation. Intentional misuse by concentrating and inhaling the product can be harmful or fatal.

ACTIVE INGREDIENTS: Citrus Terpenes (94266-47-4), Propane (74-98-6), Butane (106-97-8), Alcohols, C9-11, ethoxylated (68439-46-3), Ethoxylated Alcohol (34398-01-1) and Alcohols, C12- 13, ethoxylated (66455-14-9).

HMIS RATINGS: : Health: 2; Flammability: 4; Physical Hazard: 0; Personal Protection: X.
