

TECHNICAL DATA SHEET

SLIME-INATOR™

HIGH PERFORMANCE AIR
CONDITIONING DRAIN PAN
CLEANER

PART NUMBER(S):
EP2626

16 FL OZ (0.473 L)

Slime-Inator™ is a revolutionary combination of eco-friendly cleaning agents and deodorizers. It's designed to eliminate scum, slime and other accumulations in air-conditioning condensate drain pans and lines, water fountain drain and humidification systems. This unique product will eliminate clogged drains and reduce unpleasant odors, with only one application of 8 ounces per month. Regular maintenance with Slime-Inator™ will prevent overflow damage and unnecessary maintenance repairs. This biodegradable and environmentally safe formula is ideal for any size system – from the smallest home to the largest industrial complex.

WHO: HVAC departments, refrigeration shops, facility maintenance, hospitality, schools, hospitals, office buildings, construction and maintenance, municipalities

WHERE: Air conditioning systems, water fountains, humidifiers, drain pans, drain lines

WHAT: Scum, slime, sludge, other accumulations, odors

FEATURES AND BENEFITS:

- Non-corrosive, non-flammable and non-toxic
- Removes scum, slime, and odors
- Deodorizes as it cleans

DIRECTIONS: AIR CONDITIONING SYSTEMS: Turn air conditioner off. Remove clog if necessary prior to initial application. Simply pour 8 oz. of Slime-Inator into air conditioner drain pan or drain line. Start air conditioner after 20 minutes. For best results repeat application every 30 days. Larger systems may require additional Slime-Inator. WATER FOUNTAINS: Pour 4 oz. of Slime-Inator directly into water fountain drain. Repeat procedure monthly to keep drain free flowing and deodorized. HUMIDIFIERS: For small systems add 4 oz. directly into pan or drain.

ACTIVE INGREDIENTS: Water, (7732-18-5), Quaternary Ammonium Salt (68391-01-5)

HMIS RATINGS: Health: 1; Flammability: 0; Reactivity: 0; Personal Protection: B
