

TECHNICAL DATA SHEET

URA GUARD™

ECO-FRIENDLY URINAL
DEODORIZER, DESCALER AND
CLEANER IN ONE

PART NUMBER(S):
EB0230

DESCALING KIT WITH PLASTIC
ENCLOSURE

Ura Guard™ is an eco-friendly solution for complete urinal care. Powerful cleaner and descaler removes years of calculus build-up in pipes and prevents new build-up from forming. Ura Guard™ helps prevent costly plumbing bills due to build-up in pipes. One cartridge services one urinal for 30 days. Effectively eliminates a major source of urinal odors deep in the pipes and emits a light, fresh scent. Ura Guard™ requires no tools, tapes, or screws for a simple, seconds-only installation. It features easy refill cartridge for fast servicing and contains no metal parts to create rust or scratch on porcelain. In-urinal placement discourages vandalism.

WHO: Plumbers, custodians, facility maintenance personnel, office building engineers, hospitality staff, restaurant owners, hospitals, schools, apartments, nursing homes, prisons

WHERE: Urinals

WHAT: Uric salts, calcium deposits, mineral deposits, rusty stains, water yellow rings, hard water residue, soap scum, odors

FEATURES AND BENEFITS:

- Environmentally safe - contains no paradichlorobenzene
- Continuously descales and deodorizes for over 30 days
- Removes years of build-up while being gentle on pipes

DIRECTIONS: Step 1: Remove the mounting bracket, refill cartridge, and fragrance cap from their packaging. For your convenience, each starter kit and replacement pack includes a pair of disposable gloves. Step 2: Orient the mounting bracket with the arrowhead extensions pointing up with the logo facing you. Position the arrowhead extensions of the mounting bracket straight up and down to line up with two water opening holes along the top inner rim of the urinal. Push the arrowheads straight into the water openings until the unit securely hangs from the holes. Note: It is okay to bend the arrowhead extensions as necessary in order to reach the water opening holes. Step 3: Assemble the refill unit by inserting the fragrance cap into the front of the refill cartridge. Holding the refill so the logo is facing out, slide the bottom of the unit into the bracket first, and followed by the top until it "snaps" into place.

ACTIVE INGREDIENTS: Proprietary Mixture

HMIS RATINGS: Health: 1; Flammability: 1; Reactivity: 0; Personal Protection: B
