

## TECHNICAL DATA SHEET

# CHERRY PEN™

NON-FLAMMABLE  
PENETRATING LUBRICANT

**PART NUMBER(S):**

EA255

NET WT 20-18 OZ (510 GRAMS)

Cherry Pen™ is a high performance and fast acting penetrating oil. Its premium formula displaces moisture, cleans, lubricates and rapidly breaks down rust. Excellent for removing parts, fasteners and mating connections, as well as, protecting metal from further corrosion. Silicone free formula will not interfere with subsequent painting. Formulated with cherry scent, Cherry Pen™ provides a nice alternative to penetrants with strong odors.

**WHO:** Electricians, HVAC technicians, plumbers, building engineers, mechanics, machine operators, golf course superintendents, fleet departments, public works, public transportation, municipalities, power plants, gas and oil companies, manufacturing facilities

**WHERE:** Industrial equipment, marine equipment, aircraft parts, HVAC equipment, refrigeration equipment, generators, motors, pumps, power tools, processing equipment, fasteners, mating connections, wire cable, rusted parts, ignition systems, machine parts, door hinges, locks, nuts and bolts

**WHAT:** Cleans dirt and grease, displaces moisture, lubricates, breaks down rust, protects from corrosion

**FEATURES AND BENEFITS:**

Advanced proprietary technology rapidly breaks down rust

50 states VOC compliant

Pleasant cherry scent

**DIRECTIONS:** Spray liberally directly on area to be treated. Reapply periodically as required

**ACTIVE INGREDIENTS:** Trans-1, 2-Dichloroethylene (156-60-5), Naphthenic Oil, Severely Hydrotreated (64742-52-5), Hydrotreated Light Distillates (64742-47- 8), Carbon Dioxide (124-38-9).

**HMIS RATINGS:** Health: 2; Flammability: 1; Physical Hazard: 0; Personal Protection: B

**TOLL FREE:**
