

TECHNICAL DATA SHEET

ECKO-TAPE™

RESIDUE-FREE
PRESSURE SENSITIVE TAPE

PART NUMBER(S):
50 METERS PER ROLL

EB2009-BK (BLACK)
EB2009-G (GREEN)
EB2009-R (RED)
EB2009-WH (WHITE)
EB2009-Y (YELLOW)
EB2009-BE (BLUE)
EB2009-C (CLEAR)

Ecko-Tape™ is an innovative pressure-sensitive tape that's easy to tear by hand and leaves little or no surface residue. It is unlike standard duct tapes, as it can be removed from itself and reused. Made from a polyethylene-based, flat-yarn substrate, it boasts a higher tensile strength and dimensional stability than conventional gaffer tapes or duct tapes. Ecko-Tape™ is halogen-free and lead-free. It's also water and weather resistant, making it suitable for indoor and outdoor applications. Ecko-Tape™ creates less waste, since it handles easily and eliminates the need for solvent clean-up.

WHO: Construction and maintenance, electricians, carpenters, mason shops, facility maintenance, painters, marine, shipyards, automotive, HVAC departments

WHERE: Glass, plastic, carpets, wood, mortar, wires, bridge, house wrap, rolling stock

WHAT: Masking, protection, sealing, mounting, wrapping, holding, identification, containment

FEATURES AND BENEFITS:

High tensile strength
Water and weather resistant
Residue free and easy to tear by hand

DIRECTIONS: Tear by hand off the roll. Apply where needed. Can be repositioned if necessary.

ACTIVE INGREDIENTS: Polyethylene (9002-88-4), Acrylic Co-Polymer (Trade Secret), Additives (Trade Secret)

HMIS RATINGS: Health: 0; Flammability: 1; Physical Hazard: 0; Personal Protection: N/A

TOLL FREE:
800.425.8070
